RE: 30-Day Post-General Report (10/16/2014 - 11/24/2014)

Dear Mr. Matheson:

This letter is in response to the Commission's request for additional information related to an apparent failure to file a 48-hour notice within the required time as disclosed on Schedule A of the above referenced report filed by Childers for Senate.

Due to an inadvertent data entry error, the contribution from the Communication Workers of America- COPE Political Committee was dated incorrectly. The contribution was received on November 4, 2014, outside of the filing period for 48-hour notices. The committee amended its Post-General Report to correct the date of the contribution.

Should the Commission have further questions, feel free to contact the committee.

Yours truly,

Marilyn Jones  
Treasurer
